The Green Line service expansions will change the way you think about Green Line Service. www.green15.org

Now, with an average wait time of 7 minutes in either direction all day and all night, you never need to think about the schedule again.

Just catch it whenever you want to go.

It's total freedom from gas, parking and the schedule.

The GREENhopper* 15-minute service operates the majority of the time during the following blocks:

Monday - Friday: 8:30am - Midnight

Friday & Saturday Evenings: 7:00pm - 3:00am

* operates in the heart of the Green Line, outlying areas are not included in 15-minute frequency.
